The table consists of approximately 10 columns and 30 rows. The first column contains various alphanumeric identifiers, some with orange highlights. The second column contains a single character, possibly 'L'. The remaining columns contain mostly blacked-out text, with some small characters like 'A', 'B', 'C', 'D', 'E' visible. The bottom row is highlighted in grey, and the row immediately above it has orange highlights in the first few columns.
